

God is love

God is love, and all creation speaks
His glory and His might.
He spoke a word, His voice was heard,
The world was bathed in light.

Chorus:

*Let's praise our Heavenly Father,
So gracious and so true.
For God so loved the world
He gave His only Son for you
He gave His Son for you.*

Jesus came to earth, to heal and serve,
To seek and save the lost.
And to bring to man salvation's plan,
He died upon a cross.

On that Easter day, the Lord was raised,
Victorious o'er the grave.
The battle fought, the battle won
Begun was Jesus' reign.

'Rejoice!' Again I say 'Rejoice!'
In all you say and do.
How wide, how long, how high and deep
The Saviour's love for you.
