

I am convinced that I'm safe in my Saviour

I am convinced that I'm safe in my Saviour,
I am secure in the love of my King.
My debt was paid in the suffering of Jesus,
I am now free of the guilt of my sin.
Nothing can separate me from the Father,
No trouble, hardship, or danger or sword,
Neither the present nor future will ever
Keep me from God's love in Jesus my Lord.

I am convinced I will share in His glory,
God's Holy Spirit is making me new.
Even when tested I know He is with me,
Co-heir with Jesus, great things will ensue.
Nothing can separate me from the Father,
No trouble, hardship, or danger or sword,
Neither the present nor future will ever
Keep me from God's love in Jesus my Lord.

I am convinced He has purposes for me,
Wonderful plans to make me just like Him.
Since He has chosen me and paid my ransom,
My God will work for my good in all things.
Nothing can separate me from the Father,
No trouble, hardship, or danger or sword,
Neither the present nor future will ever
Keep me from God's love in Jesus my Lord.
