

## **In that day you'll say**

In that day you'll say  
'God's wrath has turned away;  
I will trust in Him and I won't be afraid.  
He has saved me,  
And He is my Lord and song,  
In His grace and mercy He has made me strong.'

*All who are thirsty  
Can come to the waters;  
You who are thirsty  
Can come drink and live.  
Draw with joy from wells of saving grace and love,  
Drink the riches of our God in heaven above.*

In that day you'll say  
'Come fill the air with praise,  
For our God shows power and strength in all His ways.  
He has done great things,  
So shout it out and sing;  
Thank Him for His presence with you,  
He's your King.'

*All who are weary  
Can find mighty power;  
You who are hungry  
Can know God and live.  
Draw with joy from wells of saving grace and love,  
Drink the riches of our God in heaven above.*

In that day you'll say  
'He comes his own to claim;  
Here He comes in glory,  
Praise His holy name.  
We will rise to be with Him, Our Lord and King;  
See He comes to meet us,  
Our reward to bring.'

*All you in darkness  
Can come to His brightness.  
Taste His salvation,  
Receive Christ and live.  
Draw with joy from wells of saving grace and love,  
Drink the riches of our God in heaven above.*
