

Seeking, seeking

Seeking, seeking
All my heart forever seeking,
Seeking Him who came to save,
Came to save the lost.
Finding, finding,
I my Lord and Saviour finding,
Finding Him who showed me grace,
Mercy on the cross.

*Chorus: Seek Him while He may be found,
 He is near at hand;
 Turn to Him and love Him now,
 This is His command.*

Resting, resting,
In His love and peace I'm resting;
Resting now I know I'm His,
His eternally.
Trusting, trusting,
My whole life to God I'm trusting;
Trusting Him to keep me safe,
Safe until that day.

*Chorus: Seek Him while He may be found,
 He is near at hand;
 Turn to Him and love Him now,
 This is His command.*

Following, following,
Leaving all and I am following,
Following Him who walked the earth,
He has gone before.
Serving, serving,
Jesus Christ I now am serving;
Serving Him, the King of kings,
Worship and adore.

*Chorus: Seek Him while He may be found,
 He is near at hand;
 Turn to Him and love Him now,
 This is His command.*

Seeking, finding,
Resting, trusting,
Following and serving my Lord.
